

Beautiful Girls

We do indeed live
 in a beautiful world
There is beauty in you
 as there is beauty in me
There is beauty on the land
There is beauty in the sea
There is beauty in the clouds
 and in the stars at night
There is beauty in the dark
 as much as beauty in the light
When we can see
 through the eyes of a girl
we all can live in a beautiful world

A limited edition of twenty-five
copies of this poem by yours
truly were printed under the
waxing Strawberry Moon
during the year 2003 A.D.

10/25 mugs etc
